LOCATION & CHARACTERISTICS

“Lomas de Tauro” is an exclusive private urbanization of six luxury villas in the village of Tauro overlooking the Anfi Championship Golf Course and with superb views to the Atlantic Ocean. Tauro is situated in the community of Mogán in the southwest of Gran Canaria. This area is considered to have the best climate in the world, with an average daytime temperature of 24° C. A lot of sunshine, moderate sea wind, hardly any rain, beautiful beaches, good restaurants and excellent leisure and shopping facilities offer real quality of living.

The villas are built to the highest standards with first class materials on all parts of the development. Each villa has a garage, laundry room and utility area, large living room, four bedrooms with en-suite bathrooms and a roof terrace for private sunbathing. The access to the different floors is serviced by a private elevator. Solar heating provides hot water to the bathrooms and the private pool. The total living areas including terraces vary from about 800m² to 970m².

The urbanization has private access for the owners. A visitors parking with surrounding gardens is provided. Lomas de Tauro is an unique investment opportunity for those who understand the quality of life.
